The tranquil setting of Lang Pioneer Village provides a peaceful refuge where visitors can retreat from the hustle and bustle of modern living. Just 10 minutes east of Peterborough, the Museum boasts over 25 restored buildings constructed between 1825 and 1900, including David Fife's 1825 log cabin, a fully-operational Grist Mill where whole wheat is ground into flour and the S. W. Lowry Weaver Shop & Jacquard Loom Interpretive Centre which provides a unique opportunity to view the inner workings of a Jacquard Loom.

Villagers of all ages, dressed in authentic historical costume, go about their daily chores and traditional trades providing a glimpse into Peterborough County's rich agricultural heritage. A photographer's paradise, the Village is complete with lanes and pathways, farm animals, vegetable and herb gardens, as well as other authentic details of a 19th-century hamlet.
